Reurad S-83063 dtd 20th Jan 49 and ourad S-1273 dtd  
24th Jan 49.

Nikolai Nikolaevitch Poppe (Russian scientist and  
expert on culture and languages of Siberia) and his wife  
have been on alert for movement to United States on behalf  
Central Intelligence Agency and State Department since approximately  
March 48. Subjects have now been brought from British London  
to European Command Intelligence Center pending receipt by  
this Headquarters of instructions for shipment. Long delay  
and uncertainty causing drop in morale which eventually may  
diminish ultimate value of Poppe for intelligence purposes.
